Intermediate

Percent - 75

Kendriya Vidyalaya, Sonpur

2016 – 2017

Matriculation

CGPA - 8.8

Technical Skills

Programming Languages: C++, Java, OOPs

Web Development: HTML, CSS, JavaScript, ReactJS

Other: Communication Skills

Projects

Codepen Editor Clone | *ReactJS, Material UI*

October 2023

- Integrated ReactJS for building a dynamic and interactive code editor environment, enabling live code execution and enhancing the user coding experience.
- Leveraged Material UI's design components and theming capabilities to ensure a polished and consistent look and feel, resulting in an aesthetically pleasing and user-friendly code editing platform.

Personal Portfolio Website | *HTML, CSS, JavaScript*

October 2023

- Developed a responsive portfolio website using HTML, CSS, and JavaScript to showcase skills and projects.
- Implemented an intuitive and user-friendly navigation system to ensure an effortless browsing experience, enabling visitors to easily explore the showcased skills and projects.
- Enhanced user engagement with interactive elements and smooth page transitions.

Sorting Visualizer Website | *HTML, CSS, JavaScript*

October 2022

- Created a real-time sorting visualizer web application using HTML, CSS, and JavaScript, showcasing sorting algorithms such as Merge Sort, Bubble Sort, and Quick Sort.
- Developed a responsive and user-friendly interface, ensuring a seamless experience on various devices.
- Utilized JavaScript to build interactive elements that illustrate the step-by-step functioning of sorting algorithms, aiding in algorithm understanding.

Experience

Easy Webes

November 2022 – December 2022

Web Development Intern

Online

- Completed a web development internship, contributing to the creation of a hotel website that featured a visually engaging image scroll, contact section, and rooms details.
- Designed and implemented an image scroll to showcase hotel images, resulting in a 40% increase in user engagement and longer page visits.
- Developed a rooms details section with informative content, enhancing user engagement and contributing to a 35% increase in bookings.
- Crafted an informative contact section that provided valuable details about the hotel's location, contact information, etc.

Certifications

Web Development with React

October 2023

Infosys Springboard

Programming in Java

November 2022

IIT Kharagpur

Programming in C and C++

September 2020

IIT Kanpur
